

3rd Qtr FAASafetyTeam Flight Instructor Open Forum

At this open forum, we will discuss how to conduct an effective risk-based flight review. This interactive presentation also leads the participants in a discussion of best practices for developing evaluation scenarios. It allows FAASafetyTeam Program Managers and designated FAASafetyTeam Representatives together with CFIs and DPEs to discuss the benefits of conducting risk-based flight reviews. Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Click the link below and register TODAY.
